

Certification in a nutshell

Single-layer plaster mortars

The product is certified by a certification body accredited according to ISO CEI 17 065 by a body recognized by E.A. (European cooperation for Accreditation).

The certified characteristics are the following:

According to Product Standard NF EN 998-1:

- One-coat rendering mortar for external use "OC" for the characteristics of : Bulk density, compressive strength, adhesion, capillary water absorption.

Other characteristics :

- Water retention, bending strength,
- Category OC1/OC2/OC3 for type of masonry consistent with plaster/render Rt1/Rt2/Rt3 base on peel strength

The certification reference system is being developed by gathering the views of the different stakeholders:

- professionals producing the product and/or providing the service,
- consumers, users, specifiers,
- administrations, technical experts.

The certification reference system and the valid certificates (or the list of the certified products) are available to the public, free of charge and without any identification information requirement, via a website or any other means.

Whenever technically possible, the certified products are specifically marked, at least with reference to the mark.

The certified characteristics are assessed under the responsibility of the certification body, on the basis of the following checks:

| | Admission | Continuous surveillance |
|--|------------|---|
| Performance an audit of the production by a qualified technical auditor: <ul style="list-style-type: none"> - Supervision of controls and records of the production: raw materials, processes, end products - Supervision of the quality management provisions: metrology, packaging, storage, traceability, marking of the product, handling nonconformities and customer complaints - Supervision of tests on certified characteristics, if applicable. | Yes | Yes Frequency: 2 audits every 12 months * |

- (*) - The frequency may be reduced to 1 audit every 12 months, providing that:
 + the previous assessment results have been very successful

This data sheet is a synthesis and aims at a quick understanding by any specifier of the scope and assessment rules for the certification.
